TARJETA POSTAL

The image shows a blank, aged, cream-colored postal card. At the top center, the words "TARJETA POSTAL" are printed in a simple, black, sans-serif font. Below the title, a vertical line runs down the right side of the card, separating the message area on the left from the address area on the right. The address area contains three horizontal dashed lines for writing. At the bottom right of the address area, there is a solid horizontal line, likely for a postage stamp or a return address. The card is framed by a thin black border.
