Dear Gufflers -

This card is the best I
can do in a land that
doesn't have Xmas. I am
in Mawakesh on a brief
holiday which I needed
badly.

You probably have seen
Jack McClung who went home
in Nov. on leave. Phillip
left last week also on
leave & you will no doubt
see him early in the year
I came as far as Coahuila
with him. I got no news
of him & I worry a bit. Hope
for an assignment to
Vienna if & when -
Merry Xmas. Mary Jane
