Wales and Monmouthshire

printed in Spain.

In April 1984 a parcel was taken of the first complete plate prepared to print the stamps, and this parcel is now in the National Postal Museum, London. The plate contained twenty-one sets of stamps. It was used to print stamps which were purchased in the market and which were presented to the collector to provide additional security. The first one being cancelled with 'R2' and the others with 'R1', 'R2', 'R3', 'R4', 'R5', 'R6', 'R7', 'R8', 'R9', 'R10', 'R11', 'R12', 'R13', 'R14', 'R15', 'R16', 'R17', 'R18', 'R19', 'R20', 'R21'.

These were placed on sale at post office counters on May 6 1984 and that date is now considered a 'priority' as National Stamp Day.
