"Lieber "Onkel Friedrich"!

As you know by Mutti's letter,  
Werner & I are again in "Siboney",  
our dear and loved "finca". -

Some day, - when we are less  
busy, - we'll write you a very  
long letter. For today just these  
few lines to thank you for  
your kind letter on our  
birthdays.

Hoping you are well and with  
best regards from Mutti & Ielfi,  
receive much love

from

Hilda & Werner
